New Tools

Guides & Resources

Action Alert!

- **Sign Petition to encourage the Federal Government to Fund Syringe Exchange.** In December 2011, the U.S. Congress established a ban on the use of federal funds to support syringe exchange programs. This reinstated a previous ban on federal funds for domestic programs and established a new ban for global programs. In response to the federal ban, several advocates have drafted a Syringe Exchange Position Statement condemning the ban, while emphasizing the efficacy and effectiveness of these programs.
- **New York State Hepatitis C Legislative Awareness Day.** March 14, Albany. Get on the bus! Ensure your elected officials are considering Hepatitis C! Learn more: sfoster.statuscunknown@gmail.com.
- **Alliance for Justice 10-part webinar series for advocates working on behalf of immigrant communities.** Begins February 15.
- Raising the Profile, Raising Your Voice: Viral Hepatitis Advocacy Webinar. With Chris Taylor, NASTAD. February 17th (3-4 PM).
