

NEW YORK STATE AMERICORPS MEMBER POSITION DESCRIPTION TEMPLATE GUIDANCE

The New York State Office of National & Community Service developed an AmeriCorps Member Position Description Template and requires the use of this tool by all AmeriCorps*State grantees. The guidance below should be used when completing the New York State AmeriCorps Member Position Description Template for each unique member position in your program.

Do not eliminate, alter, or leave blank any of the categories below when completing each Member Position Description Template. We strongly encourage all AmeriCorps Project Directors to be thoughtful and inclusive in their development of each Member Position Description. Comprehensive Member Position descriptions will help your program and your members remain compliant with all AmeriCorps Regulations, and define member service activities to achieve your Performance Measure Targets.

Each Member Position Description must be submitted to your AmeriCorps Program Administrator at the State Commission Office. Each Position Description will be reviewed and returned to you for revisions if any sections are left blank or the quality of the document is not acceptable.

AmeriCorps Project Directors must review the list of AmeriCorps Member Prohibited Activities and Unallowable Activities as defined in the Member Agreement and should have a copy on hand when developing each Member Position Description to confirm that all service activities and member responsibilities are allowable. Please direct any questions you may have in this subject to your AmeriCorps Program Administrator at the State Commission Office at 518-473-8882.
