

The Community Health Care Association of New York State (CHCANYS) invites you to join us virtually **Wednesday, March 10 at 12PM** for

## "Patient Voices"

a panel of patients celebrating the care they've received at community health centers. Moderated by Tracie Gardner, Legal Action Center, featuring patients from Community Health Center of Buffalo, Trillium Health, Harlem United, and Long Island FQHC.

This patient panel is part of CHCANYS' Virtual Advocacy Week, recognizing the amazing work of community, homeless and migrant health centers.
