NYS-HCCN Factsheet

**EST.
2012**

The CHCANYS' New York State Health Center Controlled Network (NYS-HCCN) is a HRSA funded project. The grant has a three year cycle which currently runs from August 1, 2019 through July 31, 2022.

51 **FEDERALLY
QUALIFIED
HEALTH CENTERS**

The NYS-HCCN is a collaborative network of New York State CHCs working together to leverage health information technology in a value-based care environment.

**SERVING OVER
1.5 MILLION PATIENTS**

- CHCANYS NYS-HCCN is the second largest HCCN in the country
- & the only HCCN dedicated 100% to New York State CHCs

NYS-HCCN GOALS

Enhance the patient and provider experience

Advance interoperability

Use data to enhance value
