

# HOMETOWN HEALTH CENTERS IS HIRING

***Come join our growing team of dedicated Healthcare professionals!***

Hometown Health Centers, a federally qualified community health center, is seeking applications for the position of Social Worker at our Schenectady and Amsterdam locations.

At Hometown Health, social workers treat patients of our Primary Care practice to help improve overall well-being and adjust to challenges within their lives. Social workers provide diagnosis and treatment of mental, behavioral, and emotional disorders. In addition, social workers may assist patients in the building having a mental health crisis and develop a plan for their safety. The opportunity to provide counseling in our school-based health centers is also available.

This is an excellent opportunity for professional growth. Supervision toward an LCSW or LCSW-R is available. Our positions offer a competitive salary, flexible hours, generous time off, and paid holidays. Clinical positions are eligible for paid continuing education training and full student loan repayment through a national program only available in settings like ours.

## **EDUCATIONAL REQUIREMENTS:**

- LMSW or LCSW with a degree from an accredited school of social work and a license to practice in New York State

## **EXPERIENCE / TRAINING:**

- Clinical experience in a primary care setting preferred
- Experience working with classically underserved population is preferred
- Bilingual (English/Spanish) a plus
- Experience working with persons with substance abuse is a plus
