

Introduction

This resource hub offers a list of services for individuals and families impacted by domestic and intimate partner violence (IPV). It is intended to support community health center (CHC) staff across New York State in identifying and connecting people with trusted, confidential assistance available at the local, state, and national levels.

Office for the Prevention of Domestic Violence (OPDV)

A New York State government agency providing survivor-centered information, including safety planning, financial empowerment, and legal rights.

New York State Domestic and Sexual Violence Hotline

Phone: 1-800-942-6906 | Text: 844-997-2121

Available 24/7 with confidential, multilingual support. Services include safety planning, legal guidance, and connections to local resources.

New York State Coalition Against Domestic Violence (NYSCADV)

NYSCADV is a statewide nonprofit organization working to prevent and eliminate domestic violence through policy advocacy, training, and technical assistance. It also maintains a searchable program directory of local domestic violence services across New York State, including shelters, legal aid, counseling, and prevention programs.
