

Opioid Rapid Response and Pain Management

ECHO Program

Offered to Practitioners in New England+ States

Receive Free Continuing Education Credits! The 8 one-hour sessions will cover the new requirement set by the DEA, to have completed a total of at least 8 hours of training on opioid or other substance use disorders, as well as the safe pharmacological management of dental pain. Must attend all 8 sessions to receive the 8 hours.

Funding for this conference was made possible (in part) by **Grant Number 6 NU38OT000290-04-01, CFDA 93.421**, from the U.S. Department of Health and Human Services/Centers for Disease Control and Prevention. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.

When:

Every Thursday Beginning May 18, 2023 from 12:00 – 1:00 PM Eastern Time

What:

The Opioid Rapid Response and Pain Management ECHO is a program designed to provide clinicians in primary care with training on pain management, opioid prescribing risks, and overdose prevention. This 8-week, case-based curriculum covers pain management strategies, including non-opioid and non-pharmacologic treatment options, substance use screening, risk reduction counseling, and tapering strategies for opioids and benzodiazepines.

Who:

This program is led by University of New Mexico faculty and consultants:

- Snehal Bhatt, MD-Addiction Psychiatry
- Radhika Grandhe, MD-Anesthesia/Pain
- Vanessa Jacobsohn, MD-Family Medicine and Addiction Medicine
- Joanna Katzman, MD-Neurology/Pain
- Brandon Warrick, MD-Toxicology, Addiction Medicine and Emergency Medicine

Submit a de-identified case to our team for discussion during a session using [this link](#)

ANCC Designation Statement

Project ECHO® designates this live activity for a maximum of 1.0 ANCC contact hour. Nursing contact hours will be awarded for successful completion of program components based upon documented attendance and completion of evaluation.

AAPA Credit Designation Statement – Live

Project ECHO has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1.0 AAPA Category 1 CME credit. PAs should only claim credit commensurate with the extent of their participation.

ADA C.E.R.P.® | Continuing Education Recognition Program

ADA Accreditation Project ECHO® is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP. Project ECHO® designates this activity for 1.0 continuing education credit.
